Basketball Is Here!!!

Another Pala All-Stars Basketball season is about to start on April 12th. Students will get to participate in games against other schools as well as a tournament at the end of the session! Best of luck to our boys and girls this season!

**Upcoming Events:
Fun In The Sun
(Culminating Event)
April 23, 2010**

**END OF THE YEAR
FIELD TRIP!**

With the end of school just around the corner what better way to end this school year than with a special trip! We haven't decided on a place yet, but students are sure to have lots of fun in whatever we choose! Parents/Guardians be sure to remind your students to be on their best behavior because we would love every student to be able to go!

PARENTS/GUARDIANS WE NEED YOU!

Got free time on your hands or just want to donate something to Pala All-Stars?

We would love parents to come and see what we're all about and what your student is up too! Check it out during program, sporting events or one of our culminating events!
