

Pala All-Stars

Entourage highlights!

Our Entourage class is doing a session focusing on homelessness. We will be doing a canned food drive competition for the next 3 weeks between the different learning lounges. Any donations would be greatly appreciated! :-)

Please make sure the cans you send are the pop top style cans, so the homeless can open them easily. We especially need high protein canned like canned meat, soups, and chili as well as the canned fruits and vegetables.

We feel very strongly that here at All-Stars we should teach our youth the importance of caring for the world around us. The earthquakes that devastated Haiti have left so many people in need of help. Pala Middle School All-Stars is teaming up with Gear-Up and having a Penny Competition to raise funds to donate to the Haiti Relief Fund. Our goal as a program is to raise at least \$250 to donate. If you would like to donate or contribute to our fundraising efforts please contact Ms. Flores ASAP at 408-529-7211

MILK DAY!

On Friday January 22nd we celebrated Martin Luther King Jr's life and legacy. The students watched his famous "I have a dream" speech and painted their own rendition of MLK Jr. We talked about what he stood for and why we take a day to celebrate the impact he had on our nation.
